

As you may know, Lovejoy ISD has again suffered a loss of state funding. That loss is projected to be around \$1.5 million dollars this year. As a result, many of the programs that make our school district one of the best in Texas have been put in jeopardy. Because of this significant deficit, last year we launched a new fundraising project at the elementary level: Late Night Leopards Campus Campout. Our goal for the 2019 campout at Lovejoy Elementary was to raise \$30,000 and we're pleased to report that, those funds helped us secure on site, full time campus security. We had over 150 campsites and 356 happy campers enjoying an evening of outdoor family fun! Our 3rd annual campout is scheduled for Friday, April 24th, 2020. This year our goal is \$30,000. If we reach this goal, the proceeds will be used to directly impact Lovejoy Elementary. We know we can reach this goal with parents like you in our district. The funds raised at our campout will be distributed with a dollar amount going to Lovejoy ISD, and the balance going to Lovejoy Elementary.

Would you consider donating a gift, in your child's name for the LES Late Night Leopards Campus Campout to help us raise money for our school and district?
